

PRESS RELEASE

LAUNCHING MARGGRAF.TECH WEBSITE AND SOCIAL NETWORKS

Epinal, February 3rd, 2020. Marggraf's new website has been online for a few days at the following address: www.marggraf.tech. This year, we will offer for sale **RunSoftCheck**, a blood glucose meter without contact. A solution for monitoring blood glucose before, during and after physical activity. Without finger pricking, without consumables, reliable and cost-efficient, it's a real revolution for measuring blood glucose. More information will soon be unveiled on the website, but also through our social networks: [Facebook](#), [Twitter](#), [Instagram](#), [YouTube](#) and [LinkedIn](#). You can also subscribe to our newsletter on the website to be kept informed of the latest updates.

About Marggraf: founded in May 2019 by Adam Ouadah, Rémi Bombarde and Gilles Salvadori, Marggraf is a start-up specialized in the development of physiological data sensors (blood glucose, heart rate, oximetry, etc.).
